

A Patient's Guide: Adding Additional Family Members to a MyCareCorner Registered Account

Additional family members (spouse, children, and/or parents) can be added to a registered MyCareCorner account once a healthcare provider (hospital or clinic) provides the family member with [an email](#) or a [printed copy](#) of the registration invitation for MyCareCorner.

Using the Email Invitation

1. To add the family member to your registered MyCareCorner account, you need an invitation from the healthcare provider. Once you receive the registration invitation for MyCareCorner, click the link in the email.

Answer Security Question Create Account or Sign In Set up Health Record

This invitation is to access **Hudson Jefferson's** health information

Select what health record to store **Hudson Jefferson's** health information in by choosing the health record with the same name (if there is a record that matches this name, Connected Health Base has already selected it for you). If you do not see this person's name, choose the **Create New Record** button.

Click Create New Record.

Adding Family Members to Your MyCareCorner Account

7. At this point, you do not want to put the family member's health information into your health record, so we need to create a new record for the family member. Click **Create New Record**. (If you select your record, the system recognizes that the names are not the same and will present a confirmation message. If so, click **Cancel** to go back.)
8. On the Create Health Record screen, enter the First Name, Last Name, Relationship to You, Country, Zip Code, Sex, and Date of Birth of the family member's record you are adding. Click **Next**.

The screenshot shows a web form titled "Create Health Record" with a sub-header "Profile image" and a note "* = mandatory field". The form contains the following fields and options:

- Profile image:** A "Choose File" button with the text "No file chosen".
- * First Name:** A text input field containing "Hudson".
- * Last Name:** A text input field containing "Jefferson".
- * Relationship to You:** A dropdown menu with "Son" selected.
- * Country/Region:** A dropdown menu with "United States" selected.
- * Postal Code/Zip Code:** A text input field with a cursor.
- * Sex:** Three radio buttons labeled "Female", "Male", and "I'd rather not say".
- * Date of Birth:** A date input field with a calendar icon and the placeholder "MM/DD/YYYY".

At the bottom of the form, there is a "Next" button and a "← Back" link.

9. The authorization screen is displayed. Select **Authorize**.

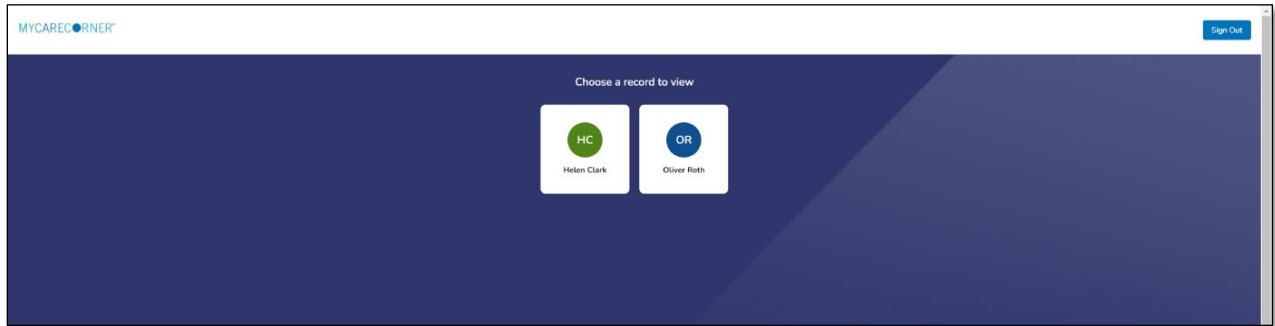

The screenshot shows an authorization screen with the following content:

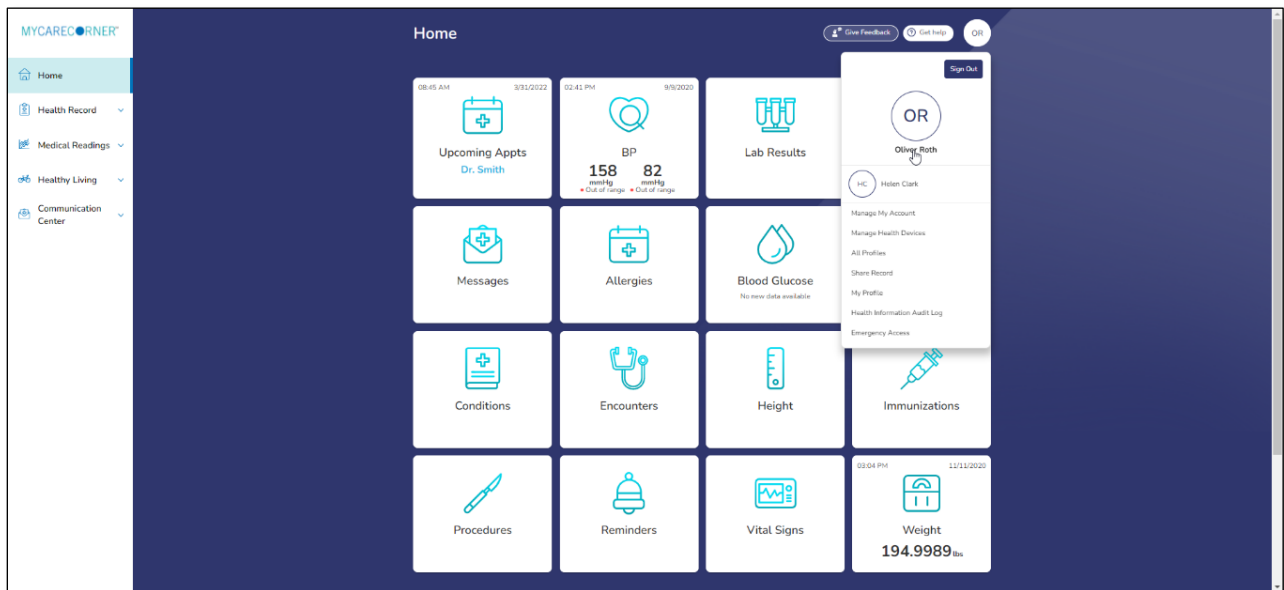

- Header: "Patient Connect wants to access Hudson Jefferson's health information to:"
- Options:
 - View health info (with an eye icon)
 - Add or change health info (with a pencil icon)
- Summary: "Access 88 types of health information" with a right-pointing arrow and the text "View what health information the app will access".
- Buttons: "Back" and "Authorize".
- Links: "Privacy Policy" and "Terms of Use".
